

Glen Eden Mission Statement

The mission of Glen Eden Corporation is to promote nude recreation and social enrichment in an atmosphere of Mutual Respect, Trust and Harmony

Thinking about visiting Glen Eden Sun Club

Curious but not entirely sure you're ready? We completely understand. Visiting a nudist resort can be a little scary the first time. First Time Visitors pay a \$15.00 per person Gate Fee and take a nude tour with one of our hosts. You will receive a FREE 2nd day pass if you wish to return.

Our Tour Hosts will go over basic nudist etiquette and show you first-hand our beautiful facilities. It's a quick tour and there's never any sales pitch or pressure to stay.

At first, the sight of other nude guests may be a little scary. However, you'll soon discover that nudists are amazingly comfortable in their own skin. Most guests stop noticing the nudity after about an hour.

Once your tour is over you will be free to roam about our grounds, relax by our pools or play tennis, pickleball, volleyball and many other activities. You will find our members to be very friendly. Nudists are very open and eager to welcome new visitors.

Weekends we have professional DJ's, live bands and themed parties along with our Major Holidays. There are two large heated pools and spa We have great fun at our dances, but suggestive attire and/or dancing are not welcome. Discussions of swinging and recruiting are not welcome here.

Our culture and values at Glen Eden are based on very simple principles; we promote family-oriented nudism, which should be wholesome and respectful. If you choose to visit Glen Eden Sun Club, you are accepting these core principles and agreeing to abide by them.

Our goal is to maintain a safe, welcoming environment where our guests can truly relax and feel comfortable.

What to pack: a light travel bag containing a couple of towels (polite nudist etiquette means that you always carry your own towel to sit or lounge on and a second one for the pool), sun screen, any athletic equipment and shoes you'll need, toiletries, and a cover-up for chilly days/nights or when you've had too much sun.
